Dear Interested Parties:

**HEALTHY FAMILIES/MEDI-CAL FOR CHILDREN OUTREACH PROJECT REQUEST
FOR APPLICATION ADDENDUM NUMBER 2**

This letter will serve as Addendum Number 2 to the Healthy Families/Medi-Cal for Children Outreach Project Request for Application (RFA), issued July 23, 1999. This addendum is being issued in order to extend the application submission due date and to increase the amount of project startup funding that may be requested.

Because of unanticipated delays and clarification of responses provided in the Applicant Conference, the Department has extended the application submission due date until September 10, 1999. As a result of changing this date, the Notice of Intent to Award date has been changed to October 6, 1999, and the Contract Term date has changed to reflect a start date of October 15, 1999, through September 30, 2000.

In the event an applicant has submitted an application already, no adjustment to the budget is necessary.

In addition, project start-up funding has been increased from one-sixth to one-third of the total contract award to cover start-up costs.

If you have any questions, please contact me at (916) 323-7406.

Sincerely,

O/S

Michael J. Neff, Chief
Office of Medi-Cal Procurement
